Relax. We've got
your back

Stressful. Confusing. Frustrating.

These are just some of the words that describe the feeling of being involved in a road traffic accident, your vehicle being illegally clamped or its identity being cloned.

From reporting a claim, trying to decide on the right garage, suffering a personal injury following an accident or getting to work if your vehicle is off the road, MSL Motor Premier has you covered.

With MSL Motor Premier you get:

- 24 hour helpline giving you access to fast, friendly and expert advice
- Up to £100,000 to cover any legal costs
- Access to a specialist personal injury solicitor should you or a member of your immediate family suffer an injury in an accident that was not your fault
- Rehabilitation treatment should you suffer an injury in a non fault accident
- If you have a passenger who was injured in the accident we can help pursue a claim for their injuries
- Recovery of uninsured losses, e.g. policy excess, loss of earnings, medical fees, vehicle recovery and hire costs
- Vehicle cloning cover, protecting you from any motoring fines and costs relating to a cloned vehicle
- Illegal clamping and towing cover

Plus:

A suitable near equivalent replacement vehicle while your car is off the road following an accident that was not your fault.

We will also arrange repairs to your vehicle and recover full costs from the at fault third party.
