

MSL Rescue

Motor Breakdown Cover

Relax. We've got
your back

MSL Rescue - the flexible motor breakdown cover for standard and specialist vehicles including taxis, classic cars, motorcycles and driving schools.

Choose from three competitively priced levels of cover to suit your requirements. Each includes a 24 hour rescue hotline and a reliable nationwide network of recovery operators which means that we are able to boast an average response time of just 40 minutes with 78% of vehicles repaired at the roadside.

Why should you choose MSL Rescue?

We have partnered with an emergency service provider behind many household brands, giving you access to the same high quality service through your insurance broker.
